

Croucher Summer Course in Cancer Biology 2015

10-14 August 2015 (Monday – Friday) · Hong Kong

The Croucher Summer Course in Cancer Biology 2015 is a five days residential course to be held from 10-14 August 2015 (Monday – Friday) in Hong Kong. It aims to educate and inspire postdoctoral fellows and early career researchers from Hong Kong and overseas. Participants will have the opportunity to learn from world-renowned international and local scientists, network with peers, and participate in engaging and interactive discussions. Applications from promising research postgraduate students will also be considered.

Course Director: Professor Irene OL Ng, Hong Kong
Course Co-Director: Professor Tak Mak, Toronto

Organizing Committee:

Chairperson	Professor Irene OL Ng, HKU, HK
Members	Professor Wendy WL Hsiao, MUST, Macau
	Dr Maria P Wong, HKU, HK
	Dr Wilson YP Ching, HKU, HK
	Dr Terence KW Lee, HKU, HK
	Dr Carmen CL Wong, HKU, HK

Language: The medium of instruction is English. Simultaneous translation will not be provided.

Application Deadline: 30 Apr 2015 (Thu)

The Croucher Foundation is an independent private foundation established by the late Noel Croucher in 1979 to promote the standard of the natural sciences, technology and medicine in Hong Kong.

Croucher Summer Course in Cancer Biology 2015

10-14 August 2015 (Monday – Friday) · Hong Kong

International Speakers

Cancer Metabolism

Professor Tak Mak

Campbell Family Institute for Breast Cancer Research, Canada

Cancer Metastasis

Professor Yibin Kang

Department of Molecular Biology, Princeton University, USA

Cancer Genomics

Professor Patrick Tan

Cancer & Stem Cell Biology Program, Duke-NUS Graduate Medical School, Singapore

DNA Repair

Professor Frederick Alt

Howard Hughes Medical Institute

Program in Cellular and Molecular Medicine, Boston Children's Hospital

Department of Genetics, Harvard Medical School, USA

Tumor Immunotherapy

Professor James Allison

Department of Immunology, The University of Texas MD Anderson Cancer Centre, USA

Professor Padmanee Sharma

Department of Genitourinary Medical Oncology, The University of Texas MD Anderson Cancer Centre, USA

Tumor Suppressor and Tumor Maintenance Genes

Professor Scott Lowe

Howard Hughes Medical Institute

Memorial Sloan Kettering Cancer Center, USA

Croucher Summer Course in Cancer Biology 2015

10-14 August 2015 (Monday – Friday) · Hong Kong

Cancellation Policy

All cancellations must be made by email to the Course Secretariat one month (10 July 2015, Fri) prior to the commencement of the Course. An administrative charge of 50% may be deducted and refund will be made within two months after the Course. No refund will be made for cancellations after this date.

Note

1. All communications are by email. Please check your email from time to time for the latest news or announcements.
2. For overseas applicants, please note that it is your responsibility to make appropriate visa arrangement before coming to Hong Kong.
3. Six best abstracts will be chosen for a 20-minute oral presentation while remaining ones will be presented in poster sessions. Please refer to the notification email for further details.
4. AACR travel grants will be awarded to three successful applicants who are AACR members from America, Europe or Africa.
5. On 10 August 2015 (Mon), the registration period is from 10:00 am to 11:15 am and the first lecture will start at 11:30 am.
6. The Open Symposium on 14 August 2015 (Friday) is open to public.

Declaration

I declare that the information and documents provided in support of this application are, to the best of my knowledge, accurate and complete; and understand that my application will be disqualified if any information or document provided is found to be false.
